Toto Turtle Takes Time to Tuck and Think (an adaptation)

Toto turtle is a terrific turtle. He likes to play with his friends Freddie Frog, Coco Crocodile and Lucky Duck. Toto is kind and honest. But sometimes things happen that can make Toto really mad. When Toto gets mad, he used to hit, kick or yell at his friends. Then his friends get upset sometimes they get mad too. They hid, kick or yell at Toto. Mama Turtle is sad that Toto gets mad easily. "Toto," she says, "You're a good turtle except when you're mad. I'll teach you a way not to get mad easily.' It's called "Think like a Turtle." "Think like a Turtle?" asked Toto. "Yes," Mama Turtle answers. Just follow these four steps:

1. Know your feelings (Are you starting to feel angry?)
2. Think and tell yourself: "Stop"
3. Tuck yourself inside your shell and take three deep breaths. If you still feel bad, take more deep breaths.
4. Come out when calm and think of a solution

The next day, Toto is playing with his friends when he is hit by a ball. Toto starts to feel mad. He yells, "Ouch! Who threw the ball? Was it you, Coco?" Coco says, "I am sorry, Toto. I did not mean to hit you!" Toto starts to walk to Coco to hit him but he remembers what Mama Turtle said, "Think like a Turtle." Toto stops and thinks, "Why do I feel mad? Coco did not hit me because he wanted to. I got in the way of the ball." Toto tucks his head inside his shell and takes three deep breaths then three more deep breaths and then two more. Then, he looks at Coco. "It's alright, Coco. But be careful with the ball, okay?"
